Little House on the Prairie
★★★★★
The "Little House" Books is a series of American children's novels written by Laura Ingalls Wilder, based on her childhood and adolescence in the American Midwest (Wisconsin, Kansas, Minnesota, South Dakota, and Missouri) between 1870 and 1894.
The Little House books have been adapted for stage or screen more than once, most successfully as the American television series Little House on the Prairie, which ran from 1974 to 1983.
